

## Identification of Aviation Research Infrastructure Needs, Gaps and Overlaps

EU Coordination and Support Action H2020  
March 2017 - February 2020

# What research infrastructure does Europe need for aviation research?

## Plan of Workshops 2019

### NEXT

#### WORKSHOP SESSION #3

AIAA - AIAA/CEAS Aeroacoustics conference  
20-24 May 2019 | Delft, TU Delft

#### WORKSHOP SESSION #4

Combined CAMERA meeting on  
Intermodal Transport and assessment  
Aerodays 2019, 27-30 May 2019 | Bucharest

#### WORKSHOP SESSION #1

### 11 —13 March 2019

#### Madrid

##### 11 March

14:30 - 18:00 Icing Systems

14:30 - 18:00 Air transport research,  
ATM & airport

##### 12 March

14:30 - 18:00 Aircraft avionics &  
systems

##### 13 March

14:30 - 18:00 Automation & Human  
Factors

14:30 - 18:00 Drones & Personal Air  
Vehicles

#### WORKSHOP SESSION #2

### 2 —3 April 2019

#### Paris Charles de Gaulle Airport

##### 2 April

10:00 - 13:30 Security

14:30 - 18:00 Cyber-security

##### 3 April

10:00 - 13:30 Safety

10:00 - 13:30 Propulsion

14:30 - 18:00 Electric & hybrid  
propulsion
